# INTRODUCTION :

NBR Karting is a private Kart Team and was established in 2012 by Neil Basilio who is a former National Karter who raced on the South African circuit for nearly a decade.

Neil saw the need to grow young talented South African Karter's by taking them under his wing and helping them achieve their goals and win championships.

# TEAM CULTURE

## OUR CORE VALUES

**TEAM WORK:** NBR has a dedicated, full-time professional team manager who will work together with NBR support Crew. Supporting the team in the office, at the workshop and at the track. Motorsport comes with the price of deadlines & pressure. We manage this on a daily basis, and integrate our drivers into this mentality.

**DEVELOPMENT:** We continuously focus on improving our performance by testing equipment, engine development and driver capability. We draw from the extensive experience gained racing at the highest levels locally and internationally. Our infrastructure and support structures allows us to complete extensive controlled tests on and off the track.

**DEDICATION:** During a race weekend, our clients will find the team striving for that extra tenth using every possible resource available. Our search for speed, attitude towards perfection and quality is never ending. We apply this mentality in all aspects of the team and its operations to ensure solid and long term relationships with all our Team Members.

# RACE TEAM SYSTEM

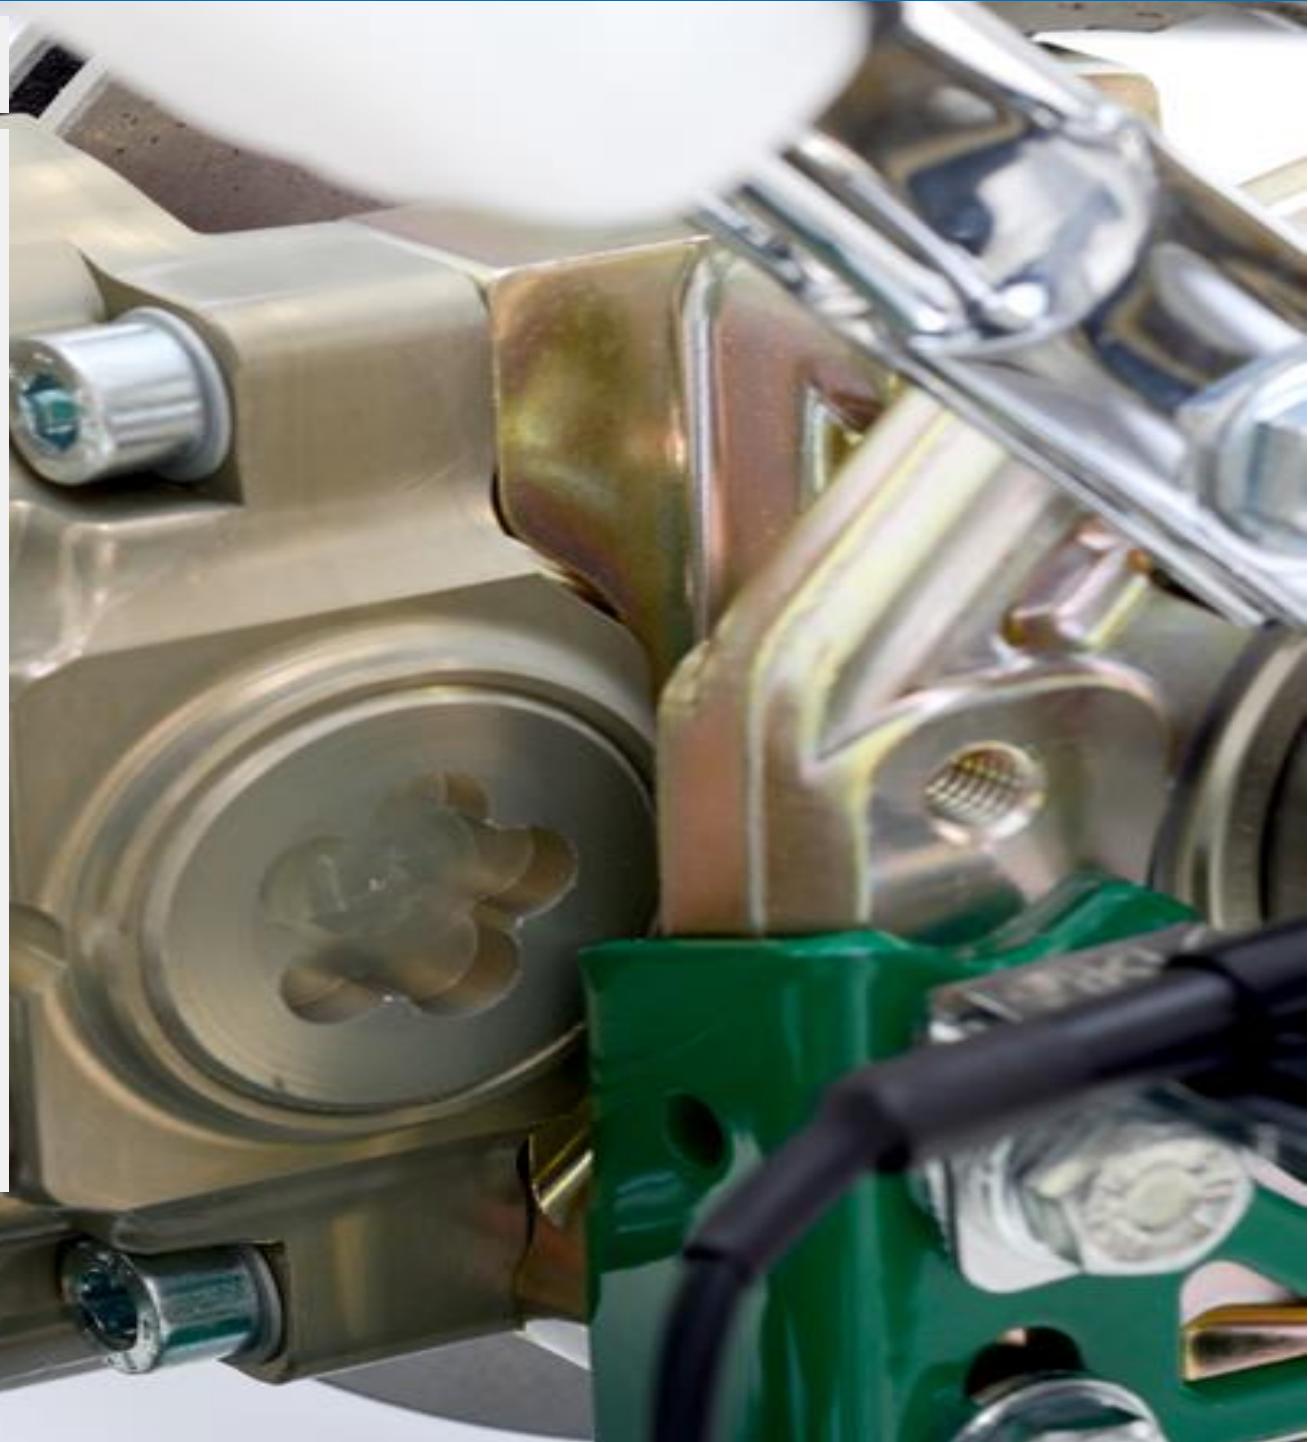

## RACE WINNING METHOD

**SIMPLICITY :** Our race team system is simple yet professional. The team has successfully won championships at all levels of competition locally. We offer a variety of services which make up the core of our program.

**LOGISTICS:** The team is based at the Zwartkops Kart Circuit. We have pit facilities at all tracks. We also provide / arrange transportation to all races outside of Gauteng.

**CHASSIS SUPPORT:** NBR is a Registered Kart Dealer with all the Top Karting Brands In South Africa. Being in direct contact with all the Top Brands, allows us access to new race parts as it becomes available.

**ENGINES:** We have local partnership with an independent Engine Tuner. NBR's Partnership with the Engine Tuner ,allows NBR to Develop and Maintain both Rotax and Rok Engines.

# DRIVER DEVELOPMENT

## HELPING DRIVERS TO BECOME THE BEST

Every driver in the team is equally important and is an asset to the team. The team fosters a family spirit and we aim to help our drivers and clients build a concrete understanding of motorsport, telemetry, communication and personal brand presentation.

We offer individual one-on-one off-track racing education and on-track practical experience to hone and develop driver knowledge and race craft.

We work closely with each driver to understand their own objectives and formulate a plan to achieve this together.
